Go to [DominionNational.com/find-a-dentist](https://www.dominionnational.com/find-a-dentist).

Utilize the searchable features to find general dentists and specialists near your home or office. You may filter your search by city, state, zip code or dentist name and type.

You must select your plan type in the dropdown menu in order to determine the corresponding network.

Once you have entered in the search criteria, click "Find" and your results will be displayed. Search results provide detailed contact information including:
